

Bill Duggan

Lewis B Robertson

Hello John, my name is Lewis B. Robertson.

I was a friend and crewmember with Bill Duggan in HC-1, SAR Det-3.

We had a lot of fun times before that tragic day of Jan-6, 1967.

I was able to visit Duke's parents after I returned from WESPAC. They were very nice folks. We had a good visit.

I shall never forget them.
